COLLECTIVE AGREEMENT

BETWEEN:

**THE UNIVERSITY OF VICTORIA STUDENTS' SOCIETY
(hereinafter called the "Society")**

OF THE FIRST PART

AND:

**THE INTERNATIONAL ALLIANCE OF THEATRICAL STAGE
EMPLOYEES AND MOVING PICTURE TECHNICIANS, ARTISTS AND
ALLIED CRAFTS OF THE UNITED STATES, ITS TERRITORIES AND CANADA,
AFL-CIO, CLC, LOCAL #168
(hereinafter called the "Union")**

OF THE SECOND PART

ARTICLE 1 - PURPOSE OF AGREEMENT

1.01 The purpose of this Agreement is to provide orderly collective bargaining between the Society and the Union. Both the Society and the Union agree that it is in the best interests of both parties to cooperate fully, individually, and collectively with one another, and thereby agree to abide by the terms set out in this Agreement.

ARTICLE 2 - UNION RECOGNITION AND RIGHTS

2.01 The Society recognizes the Union as the exclusive bargaining agent for all projectionist employees of the Society.

2.02 The bargaining unit shall be comprised of all projectionist employees now or hereafter employed by the Society. This includes Trainee Projectionists (i.e. employees with fifty-four (54) hours or less seniority), and Senior Projectionist employees with more than fifty-five (55) hours of seniority.

- 2.03 The bargaining unit work shall include the staffing of all motion picture equipment including the projection of all motion picture film of every kind and character, DVD and BLU RAY, or other comparable technology, regardless of size, in the theatre, theatre booth, and the entertainment lounge/ booth of the Student Union Building of the University of Victoria. The bargaining unit work shall also include the projecting of all motion picture film and or video screened, in the Student Union Building, except for TV Monitors. It is understood that the pub lounge is excluded plus UVSS ratified clubs using the entertainment lounge when there is no admission or door entrance fee charged.

For clarification, the above paragraph and Article 15 will be interpreted to exclude from bargaining unit work any projection from an overhead document projector or slide projector, and display of a television with or without video player provided the equipment is controlled from a location outside the projection booth.

For further clarification, the above paragraphs and Article 15 will be interpreted to include as bargaining unit work a video-data or digital projector used in Cinecenta whether for commercial or non-commercial purposes and whether controlled from the projection booth or any other location within Cinecenta. However, where a video-data or digital projector is to be used not in the booth and only on an infrequent occasion for purposes of student or instructor presentations when Cinecenta is used as a classroom for the University of Victoria, or when the Society may wish to directly have a meeting with its own members, the Society must request the Union agree that such occasions do not constitute bargaining unit work. The Union will respond on a timely basis and no reasonable request shall be denied.

- 2.04 The Society agrees that there shall be no contracting out of bargaining unit work. The Union recognizes that building and equipment maintenance that is not specifically required for projection or sound or related equipment is not bargaining unit work.
- 2.05 No employee covered by this Agreement shall be required or permitted to make a written or oral agreement with the Society or its representative which may conflict with the terms of this Agreement.
- 2.06 Neither the Society nor the Union shall discriminate against any employee covered by this Agreement with respect to terms or conditions of employment on the grounds of race, creed, color, age, sex, disability marital or parental status, religion, nationality, ancestry or place of origin, union membership or activity, political affiliation or activities, or sexual orientation.

- 2.07 The Society recognizes the right of the Union to select one or more stewards to represent the rights of the Union and the employees at its place of business. If the Union does not specifically assign a Steward, the Steward shall be the most senior Member available. It is further understood that Stewards, after consultation with the Society, shall be permitted without loss of pay, to leave their regular duties for a reasonable length of time in order to investigate and settle complaints if possible.
- 2.08 Every employee coming within the scope of this agreement shall become and remain a member in good standing of the Union, except as otherwise provided for in this agreement.
- 2.09 All official communication between the Society and the Union shall be directed in writing through the Secretary-Treasurer or the other designated official of the Union at the official mailing address of the Union, email to the Secretary-Treasurer's email address, or by fax through the fax number supplied by the Union.
- 2.10 The Society will allow the I.A.T.S.E. Local 168 insignia to be placed on products built or supplied by union employees. It is agreed that the insignia will remain the property of the Union and shall at all times be in possession of a member of the union. The insignia shall at no time be used in a manner detrimental to the interest or welfare of the Society or the Union.
- 2.11 Where recognition of any other Union or professional organization is displayed on the premises of the Society or the performance venue, the Society shall likewise recognize the Union in a manner mutually acceptable to the Society and the Union. The cost of such display shall be borne by the Union.
- 2.12 It is understood that the 'single button' operation of the booth projection equipment for classroom usage (once approved by the Union) shall not require a Projectionist to be present. It is the intention of this article that 'single button' means use by a classroom instructor for power point or similar instructional formats, and not the showing of a motion picture. It is understood that the 'single button' operation of booth projection equipment would normally not remove the requirement to have a projectionist present, as required under article 2.03.

ARTICLE 3 - MANAGEMENT RIGHTS

- 3.01 The Society shall have the right to make such rules and regulations as may be deemed necessary for the conduct and management of the performances and the Union agrees that its members shall obey all rules and directions of any authorized representative of the Society as they do not conflict with the terms of this Agreement.

- 3.02 Rules or regulations introduced by the Society shall satisfy the following requirements:
- a) They shall not be inconsistent with or violate an express provision of the Collective Agreement.
 - b) They shall be reasonable.
 - c) They shall be clear and unequivocal.
 - d) They shall be conveyed to the employees and the Union, in writing, before the Society will act on them.
 - e) They shall be consistently enforced.
- 3.03 Notwithstanding Article 4, 6, and 8 of this Agreement, the Society may, during the months of May, June, July, and August, hire and employ employees who are not, during those months, active members in good standing of the Society, provided said employees intend to resume active membership in good standing in the Society at the commencement of the Fall term of that year.
- 3.04 The Society shall have the responsibility of scheduling all work in the theatre and agrees to consult with the projectionist employees to develop an equitable schedule.

ARTICLE 4 - HIRING

- 4.01 It is mutually agreed that the Society shall have the right to select and engage projectionist employees of its choosing, who are active members in good standing of the Society, for the first up to thirty-six (36) hours worked, exclusive of training time. The initial training period shall also be considered the probationary period. The Society shall prepare a written evaluation for the trainee employee on or before the completion of their training period. The projectionist employee's position will be subject thereafter to the conditions as set forth in this Agreement. The format for the written evaluation shall be negotiated between the parties to this agreement. An employee's employment may be terminated during this probationary period due to failure of the employee to satisfactorily meet performance requirements despite reasonable opportunity for the employee to do so. It is expressly agreed that the hourly wage and other benefits paid to an employee during their trial period shall not be greater than those stipulated in this Agreement.

- 4.02 The Union recognizes the temporary and part-time nature of the positions and that one of the purposes of the Society is to provide part-time employment for its members, and that the Society reserves the right to determine the appropriate number of employees.
- 4.03 Subject to Article 4.02, no new staff shall be hired if present staff are available, capable, and desirous of working any additional hours which may become available for any reason, however, the Society shall not be required to give additional hours to any employee if this would cause weekly overtime rates to be paid.
- 4.04 The Society shall notify the Union within five (5) calendar days of new hiring.
- 4.05 When the Society is unable to fill a shift with the regular Cinecenta Projectionists currently hired and is unable to hire a new Projectionist as per the Collective Agreement, the Society shall first try contacting a previous projectionist of the UVSS. This person would be paid at the Senior Projectionist Rate. If the Society is unable to find a previous UVSS Projectionist they will contact the Union to obtain the services of a working projectionist, who shall be paid at the Union dispatched rate listed in Schedule A.
- 4.06 Replacements shall also be paid subject to the current union dues deductions.

ARTICLE 5 - NEW EMPLOYEES

- 5.01 The Society agrees to acquaint new employees with the fact that a Collective Agreement is in place and with the conditions of employment set out in Articles 2, 6, and 7 of this agreement.

ARTICLE 6 - SOCIETY/UNION RELATIONS

- 6.01 No employee or group of employees shall undertake to represent the Union at meetings with the Society without the proper authorization of the Union. - 6.02 Representatives of the Union shall not be denied access to the projection suite when dealing or negotiating with the Society as well as for the purposes of investigating and assisting in the settlement of a grievance.
- 6.03 The Society agrees that as a condition of continued employment, any employee who is a member of the Union or hereafter becomes a member of the Union shall remain a member thereof. The Union will notify the Society in writing of any of its employees who have failed to or ceased to be members of the Union. Such employees shall not be given further employment as projectionists.

- 6.04 The Society will notify the Union in writing of any of its projectionist employees who have failed to become or ceased to be active members in good standing of the Society. Such employees shall not be given further employment as projectionists.
- 6.05 The Society will notify the Union in writing of all change of addresses, promotions, demotions, hirings, transfers, resignations, deaths, or other terminations of employment within five (5) days.
- 6.06 The Union shall have the right to have the assistance of representatives of the International Alliance of Theatrical Stage Employees of the United States, Its Territories and Canada other than those of Local 168 when dealing or negotiating with the Society.

ARTICLE 7 - CHECK-OFF OF UNION DUES

- 7.01 The Society shall, as a condition of employment, deduct from the wages of each employee in the bargaining unit, whether or not the employee is a member of the Union, the amount of dues payable to the Union.
- 7.02 The Society shall deduct from any employee who is a member of the Union any assessments levied in accordance with the Union's Constitution and By - Laws and owing by the employee to the Union.

Notice of dismissal, suspension, or discipline shall be in writing, and shall set forth the reasons for such action. 'Written warnings' will be given to the employee in the form of a warning letter. Signing of a copy of the letter, by the employee, will only acknowledge receipt of the letter. A copy of this written notice shall be placed in the individual's personnel file and a copy shall be forwarded to the Union within five (5) calendar days of the action being taken.
- 8.02 No adverse work record may be relied upon if the employee has a clean record for one (1) year from the date of the last infraction. Letters of discipline shall be removed from the employee's personnel file after one (1) year without further discipline.
- 8.03 It is agreed that failure by an employee to maintain their status as an active member in good standing of the Society shall constitute just and reasonable cause for the termination of employment.

ARTICLE 9 - GRIEVANCE PROCEDURE

- 9.01 In this Agreement, "grievance" means:
- a) Any dispute or difference between the Society and the Union governing the dismissal, suspension, or discipline of an employee, bound by the agreement,
- And/Or;
