ABS-UVic (Association for Baha'i Studies at the University of Victoria)	bahai@uvic.ca	bahai@uvic.ca	ABS-UVic is a chapter of the Association for Bahá'í Studies, North America. Its membership is open to all students, staff, faculty, alumni family and friends interested in the aims of the Association. Members of the association organize regular and diverse activities open to all. Its main purposes are to bring people together in a spirit of fellowship, to promote independent and unprejudiced thinking, to foster unity among different racial, ethnic and religious groups on campus, and to collaborate with other organizations having similar aims.
AERO	president@uvicaero.com	president@uvicaero.com	<p>UVic AERO is a group of approximately 40 engineering students who build Unmanned Aerial Systems (UAS's), we compete annually in the Unmanned Systems Canada Student competition.</p> <p>The competition requires each team to build a UAS to survey a simulated disaster zone and give a detailed report of the damaged area. AERO achieved 3rd place in 2014 and 2nd place in 2015.</p> <p>AERO aims to give students experience working in the quickly growing industry of aerial robotics. Members learn to apply their skills as they design and create software, circuit boards, and airframes while working in a large team with students from many different disciplines.</p>
African & Caribbean Students' Association	uvicacsa@gmail.com	michellebrown95@live.ca	To foster African and Caribbean cultural exchange within the association, the university and the Victoria community.
AIESEC	lcp.victoria@gmail.com	lcp.victoria@gmail.com	AIESEC is the largest student-run and non-profit organization in the world. We develop the leadership potential of youth through experiential learning, volunteer experiences and professional internships. In Uvic Chapter, we aim to build relationships with local companies and campus faculties to drive exchanges; to make more impacts on students and society. Moreover, enabling both employers and organisations to connect with a global network of talent by providing an internship opportunity.
Amnesty International UVIC	psricard@uvic.ca	psricard@uvic.ca	<p>Working together to make the world a better place, through providing educational opportunities to talk, share and create awareness about human rights. Amnesty International Uvic aims to provide students with access to a classic worldwide well established human rights watchdog group. We organise campus oriented events as well as bridge events to the Victoria Amnesty International community.</p> <p>Info and updates on the UVIC chapter of Amnesty International!</p> <p>We meet Wednesday at 12 noon in David Strong C114.</p>
Anarchist Student Society	anarchiststudentsociety@gmail.com	anarchyandunicorns@gmail.com	The Anarchist Student Society will help introduce anarchist ideas and practices to the student body and the public, while promoting anti-oppressive and anti-authoritarian politics, as well as ways of enacting non-hierarchical forms of organizing. The Anarchist Student Society will also contribute to organizing the 11th annual Victoria Anarchist Bookfair, which will happen at the University of Victoria in September, 2016. The club's purpose is to facilitate networking and community-building between activist groups and students, which will be demonstrated at the Victoria Anarchist Bookfair.
Art of Living Club	collard@uvic.ca	collard@uvic.ca	The purpose of the club is to provide students with yogic knowledge, skills, and breathing practices to live happily, free from stress, in the present moment and maximizing their potential. Students are invited to take part in our yoga/meditation classes, music festivals, and weekend workshops put together by volunteers. Moreover, students are also encouraged to take on service projects from within the community to across the globe and be the change they want to see in the world!

Authors with Autism	psrdwyer@uvic.ca	psrdwyer@uvic.ca	AWA is a University of Victoria based learning community for persons with autism. Writing fosters communication skills, thereby creating social spaces and allowing communities to create and share cultures. Authors with Autism is a peer-support group and members are encouraged to support each other in the spirit of mutual helpfulness and the fostering of community affiliations of kind fellowship. Members do not have to be gifted or published writers; Authors with Autism is about persons with autism authoring their own lives.
AUVic	auvc@uvic.ca	ablanken@uvic.ca	AUVic, the Autonomous Underwater Vehicle of the University of Victoria is an undergraduate engineering student team. The team is designing and building an AUV (Autonomous Underwater Vehicle) with the goal of competing in the annual AUVSI RoboSub competition. The main purpose of the team is to give students the chance to practice real world applications of the material learned in classes. This experience is beneficial to students in several ways: It helps with the understanding of class material and allows students to see the applications of this material to real world problems. Students gain valuable hands on experience designing, building and testing electrical, mechanical and software systems. For a university located on an island, learning about underwater technology and underwater instrumentation and systems is particularly relevant.
Beer Club (UVic Brew)	uvicbeercraft@gmail.com	dirkslot@uvic.ca	Our goal is to develop mad brewing skills. At least that's the idea. We want to improve our beer making game. This is the inspiration for the re-invention of Beer Club into UVic Brew in 2013. In 2014 we won our first award, best in competition at the Hops Connect Cup! UVic Brew competed again this year (2015), and won best in show again! We are mighty stoked.
Biodev	uvicbiodev@gmail.com	cidneeluu@hotmail.com	The biodev club is mix of all different engineering and science disciplines. We are working on a wristband that will monitor the vitals (heart rate, blood pressure, blood oxygen levels) of patients and wirelessly transmit them to an external device. We propose that first responders use it in cases of emergency to monitor large groups of patients simultaneously.
Cabaret Voltaire	psricard@uvic.ca	psricard@uvic.ca	Cabaret Voltaire is a headless collective devoted to creating happenings around Victoria, we seek to fuse art and music into a delicious ooy gooy pizza pie Everyone of our endeavours has some kind of theme and a creative 'happening' (in the sense of the freakout 60's). Our aim is to shock and delight you! Though Cabaret Voltaire is a headless collective, we are not entirely headless as the debonair Mr.R.Mutts reigns as guru of the whole shebang! Also as the name dictates we are avant-garde lovers, leftist freedom fighters and conservative dickhead haters. This may not be Zurich 1916 but we are going to party like it's 1999. **We reject conformity and express ourselves through abstraction and invite you into our illogical world of nonsense! **
Catholic Christian Outreach	victoria@cco.ca	oei.nicole@gmail.com	The purpose of CCO is to provide interested students with opportunities to grow in a relationship with Jesus Christ in a manner that is contemporary and relevant to our time: through small group faith studies, fellowship, and one-to-one mentorship. The club organizes and promotes activities which provide for the development of leadership skills, self-reflection, and abilities of its membership to be a positive force in the world, both on and off campus. CCO is also a social club, connecting students with other Catholic students from campuses across Canada, giving them opportunities to participate in CCO-run local and international mission trips, and annual national conferences.

Catholic Student's Association	csauvic@gmail.com	koprivasarah@gmail.com	<p>The Catholic Students' Association is a community of young adults growing in and sharing their faith in the years between high school and "the real world" (and for some, even in the years beyond).</p> <p>Your Catholic Students' Association Council works together, in coordination with Fr. Dean, to organize events, socials, retreats, outreach initiatives, liturgical ministry, and much more, throughout the academic year.</p>
Community Cabbage	uviccommunitycabbage@gmail.com	Keiroblyth@gmail.com	<p>The Uvic Community Cabbage is a group dedicated to discussing food security and sovereignty issues through sharing food.</p> <p>We strive to not only inform, but also feed those in need of a hearty, healthy vegetarian meal. Our aim is to create a space on campus that fills a mandate of a free meal every day while challenging the conventional food system that perpetuates waste and capitalist ideals. This has been achieved at other universities and will succeed here at UVic.</p>
Concrete Canoe Team	uviccanoeteam@gmail.com	drberry2@gmail.com	<p>A group of the inaugural Civil Engineering class decided to start a fun, challenging, and civil engineering related club extracurricular club. Being a new club, we have to start from square one. There were no foundations to this club, no concrete mix design, no canoe hull design, no local references or previous contestants to lean on for experience or reference. Our responsibilities include all aspects of design, construction, sponsorship, and promotion for the canoe. This project gives each team member the opportunity to apply design principles and knowledge gained through studies as well as a hands on experience.</p>
Conservative Club	uvic.cc@gmail.com	qmactavish@live.com	<p>The University of Victoria Campus Conservatives is open to all UVic students and encourages all students to become politically engaged and active. Get in touch with us if you would like more information about joining our federal party, or working on a campaign. Like and Follow us to stay up-to-date on the latest Young Conservative news and opportunities!</p> <p>Unlike other political clubs at the school, we are very welcome and open to other people's ideas. Drop us a line, get involved, be part of the change!</p>
Dogwood Initiative Uvic Club	uvicdogwood@gmail.com	danielle.sherrill1@gmail.com	<p>We are the campus club of the Dogwood Initiative, a non profit organization based out of Victoria BC. With over 250,000 supporters across BC our mission is to give the people back their decision making power of the land, air and water. To do this we find out what our constituents care about, then we organize for success in a number of ways; gathering signatures for petitions, organizing events, and building conscious communities.</p>
Education Is A Right UVic	freededucationbc@gmail.com	kenyarogers94@gmail.com	<p>We are a group of passionate students and advocates who want to ensure that post-secondary education in this province and throughout this country is affordable and accessible. We will do this through various events and outreach programs throughout UVic.</p>
Engineers Without Borders UVIC	evelyn.e.armour@gmail.com	evelyn.e.armour@gmail.com	<p>EWB UVic is a club dedicated to working towards a goal of alleviating poverty in Africa through implementing systemic change. On campus, we fundraise for EWB's projects overseas and promote our beliefs which include fair trade and untied foreign aid. We started in Jan 2015 and have since grown to a large and motivated group of undergrads that are determined to make a change in the world using both the technical and soft skills developed in their program, whether it be engineering or other.</p>

Feminist Uprising Collective	FUCpatriarchy@gmail.com	zoebblue.coates@yahoo.com	We are a network of feminists, standing in solidarity with existing initiatives on campus working to address sexualized violence. We are not here to overshadow or overtake the work of others, but instead offer support and connections. Our mission is to unite those working towards this common goal, and create unique partnerships to empower survivors, confront the lack of administrative initiative, and FUC shit up.
Heavy Metal UVic	caseylazar@gmail.com	caseylazar@gmail.com	Heavy Metal
Impact Group Uvic	impactgroupuvic@gmail.com	boatengk@uvic.ca	
International Friendship Group	ifguvic@gmail.com	ifguvic@gmail.com	The International Friendship Group exists to foster cross-cultural understanding among UVic's international students, domestic students and members of Victoria's wider community. We do this through regular activities (eg. free English classes, lunchtime conversation gatherings, potluck meals) as well as special events (Easter Egg Hunt, Christmas Party, Barbecue Picnics).
Investing club	investmentgroup.uvic@gmail.com	amitdewett@shaw.ca	Investment Club aims to help UVic students learn about stock markets and provide networking opportunities at our various large scale events.
Leadership Through Diversity (LTD)	ltd.uvic@gmail.com	krista88wilson@gmail.com	Leadership Through Diversity (LTD) is a community within the faculty of engineering at the University of Victoria that strives to promote equality and inclusivity. Through events such as mixers for women in engineering, holiday potlucks, group hikes and skates, and workshops on leadership, masculinity, and gender, LTD encourages an engineering culture that goes beyond the stereotypical engineering culture.
Model United Nations	unclub@uvic.ca	myim96@gmail.com	The Model United Nations (MUN) facilitates interactive learning opportunities for students interested in the functioning and objectives of the United Nations (UN). We provide delegates with tools to excel at local, national, and international conferences, and to further their knowledge of international affairs and diplomacy. MUN is open to students of any academic discipline, regardless of faculty affiliation, and actively works to foster an environment of welcoming and inclusivity.
NiteShiftters Toatmasters Club	myzhong@uvic.ca	myzhong@uvic.ca	We meet every week to improve our members' communication and leadership skills.
Photoclub	UVicsPhotoclub@gmail.com	dirkslot@uvic.ca	A resource for UVic students to help them with expressing themselves with (analog and digital) photography. Photoclub is what the membership makes it. Since technology is always changing so we try to focus on the fundamentals of photography. We also know that most students are on a budget and keep that in mind. Many of our workshops and discussions apply to most cameras, digital and analog. There is something for everyone in Photoclub!

SEDS(Students for the Exploration and Development of Space)-Victoria	sedsvictoria@gmail.com	nathanc1945@gmail.com	SEDS stands for Students for the Exploration and Development of Space. It is an international group of organisations and local chapters from the United States, Canada, the United Kingdom, and India.. SEDS works towards space advocacy, pushing to ensure space exploration and development are priorities for our government. SEDS also provides members with networking opportunities within the space sector, organizes space-themed competitions, and more. SEDS strengthens the Canadian space sector through political advocacy, media engagement and education, while working towards unifying space interest groups and engaging in public outreach.

University of Victoria's Formula Hybrid Team (UVic Formula Hybrid)	uvicformulahybrid@gmail.com	RAKuhr@gmail.com	The UVic Hybrid Team is a group of, primarily UVic engineering, students that design, build, and compete Formula Hybrid vehicles. Our vehicles challenge the status-quo of hybrid vehicle technology, with performance and efficiency both far above conventional vehicles. Our work is difficult, but the team constantly steps up to the challenges of technical innovation that are presented when exploring new technology. However, the scope of our team extends beyond just building hybrid vehicles; we also believe it is important to give back to the community. Throughout the year we work in partnership with local organizations and schools to educate youth and the community about our hybrid technology, with the simultaneous goal of inspiring young minds to pursue a career in a scientific field. Informing the public, especially kids about hybrid technology is also key to making it mainstream in the eyes of consumers. As in any organization, the team of people pushing us forward is by far our best asset. This team is based on the dedication and hard work of undergraduate students from all disciplines of engineering, as well as business and economics faculties. Members come and go over the years but one thing remains constant: the UVic Hybrid Team attracts some of the top students at UVic. Many of our old team members are now working at companies like Ford, GM, and Tesla.
