AUVic	auvc@uvic.ca	<a href="http://www.auvic.uvic.ca">http://www.auvic.uvic.ca</a>	<p>AUVic, the Autonomous Underwater Vehicle of the University of Victoria is an undergraduate engineering student team. The team is designing and building an AUV (Autonomous Underwater Vehicle) with the goal of competing in the annual AUVSI RoboSub competition. The competition is live streamed and gets media coverage.</p> <p>The main purpose of the team is to give students the chance to practice real world applications of the material learned in classes. This experience is beneficial to students in several ways: It helps with the understanding of class material and allows students to see the applications of this material to real world problems. Students gain valuable hands on experience designing, building and testing electrical, mechanical and software systems. This experience translates well to real jobs and allows students to stand out when</p>

			it comes to looking for co-op positions and employment after graduation. For a university located on an island, learning about underwater technology and underwater instrumentation and systems is particularly relevant.
Basketball Club	uvicbasketballclub@gmail.com		We are a recreational basketball club. All members from the community and school are welcome to join, and there is no fee associated. We play basketball and it's variants such as 21, euro, and bump based on request.

Climbing	climbinguvic@gmail.com		The UVic Climbing club seeks to organize the climbing community at UVIC and bring new faces to the sport. Our goals for this semester are to re-boot the climbing club and set up a formal organizational structure so that it can continue as a key meeting point for climbing enthusiasts at the university. We intend to organize gym days at CARSA to create a more active and dynamic climbing community as well as begin outdoor bouldering trips and eventually introduce sports climbing and other types of outdoor climbing to the club. A key goal is to bring more climbers who's experience is primarily in the gym to the outdoors, we are seeking funding so that we can purchase basic equipment so that new climbers may also participate without issue.

Community Cabbage	uviccommunitycabbage@gmail.com		<p>Our club The Uvic Community Cabbage is a group dedicated to discussing food security and sovereignty issues through sharing food.</p> <p>We strive to not only inform, but also feed those in need of a hearty, healthy vegetarian meal. Our aim is to create a space on campus that fills a mandate of a free meal every day while challenging the conventional food system that perpetuates waste and capitalist ideals. This has been achieved at other universities and will succeed here at UVic.</p> <p>Filling bellies... Feeling minds!</p>
Consciousness Club	kben@uvic.ca	<a href="https://www.facebook.com/groups/1599096213722585?tsid=0.8170401062525239&amp;source=typeahead#groupMenuBottom">https://www.facebook.com/groups/1599096213722585?tsid=0.8170401062525239&amp;source=typeahead#groupMenuBottom</a>	<p>What is consciousness? This is one of the most confounding open questions facing humanity today. The mind-body problem is concerned with how subjective experience arises. What is the connection between mind and the physical world? This group aims to create a space where people can come together and explore ideas pertaining to these questions. We will do things like directed readings, listening to speakers, camping trips, meditation, campus investigations, and of course discussions!</p> <p>Some topics to look forward to include: dualism, genetic algorithms, evolutionary theories, altered states of consciousness, dreams, neuroscience, panpsychism, microtubules, holographic principle, linguistics, social theories, perceptions, integrated information, physics, and philosophy.</p>

The club's mission will be to encourage the following:</p> <p>Strong public policies, built on the best available evidence, for the health and prosperity of all Canadians.</p> <p>A thriving democracy where citizens are informed and engaged, and all levels of government are both transparent and accountable.</p> <p>A national culture that values science and evidence and the important role they play in our society.</p>

Exercise is Medicine on Campus	eim.atuvic@gmail.com	<a href="http://exerciseismedicine.org/canada/">http://exerciseismedicine.org/canada/</a>	The EIM on Campus program calls upon faculty, staff and students from universities and colleges to promote physical activity as a vital sign of health. Currently, EIMC on Campus groups are formally established at 34 universities and colleges across Canada. These groups foster early collaborative inter-professional relationships between exercise and health care professional trainees, while providing opportunities for students to develop strong leadership skills and an understanding of the role they play in promoting physical activity. EIMC on Campus at UVic plans and implements initiatives in four categories: 1) Physical activity awareness and promotion/creation opportunities through campus and community activities; 2) Educational workshops for students and/or community members; 3) Consulting interactions with campus Student Health Services, local family health teams, or primary care networks; and 4) New curriculum developments or revisions within medical or nursing programs.
Film club	uvicvideoclub@gmail.com		UVic film club is to encourage student members to make videos and movies together. This involves providing training and access to film equipment, as well as space to meet and work. Movies experts will be invited to give talks relating to various aspects of cinematography. Forever Green Dialogues	fgd.thinktank@gmail.com	<a href="http://forevergreendialogues.weebly.com">http://forevergreendialogues.weebly.com</a>	<p>Forever Green Dialogues (FGD) reinforces and celebrates a culture of progressive environmentalism. We are a social hub of proactive students that work collaboratively on progressive environmental initiatives within our communities. FGD is a community building project looking to bridge the silos that separates faculties, years of studies, student clubs, NGOs, etc. We are looking to increase the capacity of initiatives already in place by bringing more awareness, forming networks and working collectively to create solutions.</p>
Formula Hybrid Team (UVic Formula Hybrid)	uvicformulahybrid@gmail.com	<a href="http://hybrid.uvic.ca/">http://hybrid.uvic.ca/</a>	<p>The UVic Hybrid Team is a group of UVic engineering students that design, build, and compete with hybrid vehicles. Our vehicles challenge the status-quo of hybrid vehicle technology, with performance and efficiency both far above conventional vehicles. Our work is difficult, but the team constantly steps up to the challenges of technical innovation that are presented when exploring new technology.</p> <p>However, the scope of our team extends beyond just building hybrid vehicles; we also believe it is important to give back to the community. Throughout the year we work in partnership with local organizations and schools to educate youth and the community about our hybrid technology, with the simultaneous goal of inspiring young minds to pursue a career in a scientific field. Informing the public, especially kids about hybrid technology is also key to making it mainstream in the eyes of consumers.</p> <p>As in any organization, the team of people pushing us forward is by far our best asset. This team is based on the dedication and hard work of undergraduate and graduate students from all disciplines of engineering, as well as business and economics faculties.</p> <p>Members come and go over the years but one thing remains constant: the UVic Hybrid team attracts some of the top students at UVic. Many of our old team members are now working at companies like Ford, GM, and Tesla.</p>

Formula Motorsport	uvic.fsae@gmail.com	<a href="http://www.fsae.ca">http://www.fsae.ca</a>	<p>The UVic Formula Motorsport team is made up of Engineering, Business, Computer Science, and other students from the University of Victoria who collaborate to design and build an open wheel race car. They compete annually in the world's largest collegiate design competition, Formula SAE (Society of Automotive Engineers). A few hundred pages of rules provide restrictions, ensuring both safety and fairness, much like professional racing and industry.</p> <p>The competition puts all aspects of the cars to the test, through both static and dynamic events. The static events evaluate the design, cost analysis, and marketing plan, so careful preparation is imperative. Four dynamic events (acceleration, skid pad, autocross, and endurance) test the car's performance and reliability.</p>
Friends of Greek	ce.haynes@hotmail.com		Friends of Greek is a social group that looks to plan fun events on campus for all students. Anyone and everyone is welcome to join the club and come to our events. We are hoping to create a campus that is more active and has a more exciting and fun culture. We welcome everyone of all skill and interest levels and are mostly out just to have a good time!

Generocksity - Victoria	generocksityvictoria@gmail.com	<a href="http://generocksity.com">http://generocksity.com</a>	Generocksity is a CRA registered non-profit organization that aims to educate young adults on the importance of philanthropy and how easily it can be integrated into their lives. Although our generation is often portrayed as selfish or apathetic, we believe that this is an issue of poor education rather than poor intentions. At Generocksity, we believe that given the proper motivation and precise tools to take initiative, our generation can do extraordinary things. To showcase this concept, we organize several concerts and events where young adults can come together, listen to great live music and have an incredible night with 100% of proceeds benefiting registered charities in the Victoria community. We are also initiating volunteer trips every month to further give back to our community.
Global Medical/Dental Brigades	uvicgmb@globalbrigades.org	<a href="https://www.globalbrigades.org/empowered/chapter/university-of-victoria-medical-brigades-chapter">https://www.globalbrigades.org/empowered/chapter/university-of-victoria-medical-brigades-chapter</a>	UVIC Global Medical/Dental Brigades is a student-led, secular, international network of university clubs that travel to developing countries to provide health care in communities without access to medicine and medical care. The University of Victoria Global Medical/Dental Brigades Chapter is the first Canadian chapter, created in September 2007 with the goal of assisting remote village communities throughout Central America. We have held annual medical and dental brigades in Honduras and Panama since. As a club, and with the invaluable aid of Canadian healthcare professionals, we have successfully, and directly, aided thousands of people in the areas of health care and public health sustainability.

International Friendship Group	ifguvic@gmail.com		The International Friendship Group exists to foster cross-cultural understanding among UVic's international students, domestic students and members of Victoria's wider community. We do this through regular activities (eg. free English classes, lunchtime conversation gatherings, potluck meals) as well as special events (eg. Barbecue Picnics, Christmas Party, Easter Egg Hunt)
International Student Association	rhas@outlook.com	<a href="https://www.facebook.com/groups/uvic.isa/">https://www.facebook.com/groups/uvic.isa/</a>	UVic International Student Association exists to provide international and exchange students with a platform where they can meet people from all across the globe and celebrate the immense cultural diversity available on

			<p>campus and beyond. The aim of our society for the year is to be the most productive and largest active society on campus</p>
Investment Group	investmentgroup.uvic@gmail.com		<p>The University of Victoria Investment Group aims to create an investment society of like-minded students who are interested in institutional investing, economic markets, and pursuing finance as a career.</p> <p>The development of a tight knit and dedicated batch of students will help to improve and grow the group over the coming years. It will not only act as a hub for information and discussion where students will learn from each other, professionals, fresh graduates, and professors, but it will also add a competitive edge to our member's resumes after forming a portfolio of contributions to the group. These contributions may evolve in ways that our members see fit, but since the group is still at its embryonic stage, the possibilities for contributions are essentially limitless.</p> <p>The UVic Investment Group suits students who recognize the value of forming an intricate network of students and professionals in preparation for the job search that follows graduation.</p> <p>In the past, investment or finance clubs at UVic have been unsuccessful in their development. While taking a strategic and conservative approach, we aim to create a sustainable entity by modelling it in an autonomous fashion and by looking deeper into the needs of students who are determined to be successful in the investment industry.</p>
Iranian Students Association	irsa.uvic@gmail.com		<p>This association is made to help current or new Iranian students settle at UVic and Victoria in general. We organise major Iranian festivals and several other small gatherings to help people meet and greet in a friendly environment. The club is not for Iranians, though. We have several members from other ethnicities. The events are held in a way that are as inclusive as possible and are for everyone with any race, religion, nationality, and belief.</p>

Ismaili Student Association	ismaili.uvic@gmail.com		As a religious group, our goal is to gather with new and old UVic ismaili students for prayers. We provide a room where they can come together and study at any time of the day, as well to come and pray with us in the evenings. Besides officiating religious ceremonies on daily basis, we also intend to have a mentorship program for first year students to catalyze their transition at UVic and also conduct career panel programs each semester for all students. In addition, from the fundraisers, our goal is to carry out social events once a month such as BBQ, movie nights and camping to allow for a break from school. Meetings take place every Sunday in Mac D103 from 5:30-8:30. This includes prayers, having food and playing board games.
Jam For Justice	uvic@jamforjustice.org	<a href="http://jamforjustice.org/">http://jamforjustice.org/</a>	Jam for Justice (J4J) is a non-profit organisation that supports social development and well-being through music. Through its unique programs, Jam for Justice uses music in creative ways to support social justice. Through fundraising, our goal is to hold a concert for comfort, which is an initiative driven by Jam for Justice volunteers and musicians to bring free musical performances to hospitals and senior residences. Our second initiative would be a program called musicall, which is designed to spread the joy of music throughout communities by fostering music-making, music education, and music appreciation opportunities. This is done through donations of musical instruments, music books, and other equipment; the provision of accessible music resources; and music lessons, music workshops, and jam sessions.
