Grant Thornton LLP Suite 650 1675 Douglas Street Victoria, BC V8W 2G5

T +1 250 383 4191 F +1 250 381 4623

To the members of the University of Victoria Students' Society

#### **Opinion**

We have audited the financial statements of the University of Victoria Students' Society, ("the Society"), which comprise the statement of financial position as at April 30, 2019, and the statements of operations, changes in fund balances, and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of University of Victoria Students' Society as at April 30, 2019, and its results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

### **Basis for Opinion**

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Society's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Society or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Society's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud
  or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that
  is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material
  misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve
  collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that
  are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
  effectiveness of the Society's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Society's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Society to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the
  disclosures, and whether the financial statements represent the underlying transactions and events in a
  manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

April 30, 2019

### 1. Purpose of the organization

The University of Victoria Students' Society (the "Society) is an organization which provides undergraduate University of Victoria students with services and advocacy. The Society is incorporated under the Society Act of British Columbia as a not-for-profit society. The Society is exempt from income taxes as a non-profit organization under Section 149(1)(I) of the Income Tax Act.

### 2. Summary of significant accounting policies

The financial statements of the Society have been prepared in accordance with Canadian accounting standards for not-for-profit organizations. Because a precise determination of many assets and liabilities is dependent upon future events, the preparation of financial statements for a period necessarily involves the use of estimates which have been made using careful judgement.

The financial statements have, in management's opinion, been properly prepared within reasonable limits of materiality and within the framework of the significant accounting policies summarized below:

### **Fund accounting**

The Society follows the restricted fund method of accounting for contributions.

The Operating Fund reports membership fees, revenue and expenses related to the Society's business and operating activities.

The Health Plan Reserve Fund reports health plan premiums collected and paid on behalf of students.

The Capital Asset Fund reports the ownership and equity related to the Society's tangible capital assets.

The Dr. Ewing Memorial Trust Fund, Major Capital Fund and Renovation Fund each report the assets and liabilities related to the externally and internally restricted fund activities.

### Cash

Cash includes cash on hand, balances with banks, cash held at the University of Victoria, and cash held in trust. Cash held in trust is restricted and represents cash held at the Society for clubs, constituency organizations and other organizations noted in schedule 6.

### Inventory

Inventory is valued at the lower of cost and net realizable value.

April 30, 2019

### 2. Summary of significant accounting policies (continued)

### Capital assets

Capital assets are recorded at cost. Amortization is provided on a straight-line basis over the estimated useful life of the asset. Amortization expense is reported in the Capital Asset Fund.

#### **Deferred revenue**

The deferred revenue reported in the Operating Fund represents operating revenue received in the current period that is related to the subsequent period.

### Revenue and expenditures

Revenue on retail sales is recognized at the point of sale, when the customer receives and pays for the goods.

Rent from tenant leases are recognized in revenue on a straight-line basis over the term of the lease.

Contributed assets are recorded at fair value at the date of contribution.

#### **Amortization**

Rates and bases of amortization applied to write off the cost less estimated salvage value of capital assets over their estimated lives are as follows:

Computer equipment and software

Furniture and fixtures

Miscellaneous equipment

Retail business operations equipment

Leasehold improvements

2 to 4 years, straight-line

10 years, straight-line

5 to 10 years, straight-line

Lesser of term of the lease and useful life

Amortization expense is reported in the Capital Asset Fund.

### Long lived assets

The Society regularly reviews the carrying value of long-lived assets and continually makes estimates regarding future cash flows and other factors to determine the fair value of the respective assets. If these estimates or their related assumptions change in the future, the Society may be required to record impairment charges for these assets.

#### Use of estimates

In preparing the Society's financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenue and expenses during the period. Actual results could differ from these estimates.

April 30, 2019

### 2. Summary of significant accounting policies (continued)

#### **Financial instruments**

Financial instruments are recorded at fair value on initial recognition. Investments that are quoted in an active market are subsequently measured at fair value. All other financial instruments are subsequently recorded at cost or amortized cost, unless management has elected to carry the instruments at fair value. The Society has not elected to carry any such financial instruments at fair value.

Transaction costs incurred on the acquisition of financial instruments measured subsequently at fair value are expensed as incurred. All other financial instruments are adjusted by transaction costs incurred on acquisition and financing costs, which are amortized using the straight-line method.

Financial assets are assessed for impairment on an annual basis at the end of the fiscal year if there are indicators of impairment. If there is an indicator of impairment, the Society determines if there is a significant adverse change in the expected amount or timing of future cash flows from the financial asset. If there is a significant adverse change in the expected cash flows, the carrying value of the financial asset is reduced to the highest of the present value of the expected cash flows, the amount that could be realized from selling the financial asset or the amount the Society expects to realize by exercising its right to any collateral. If events and circumstances reverse in a future period, an impairment loss will be reversed to the extent of the improvement, not exceeding the initial carrying value.

### 3. Investments

Investments consist of funds held in various portfolio marketable securities and are recorded at amortized cost.

#### 4. Interfund balances

To bring the funds to the required amounts, transfers are required as noted by the interfund balances receivable and payable.

April 30, 2019

5. Capital assets					_	2019	 2018
		Cost		Accumulated amortization		Net book value	Net book value
Computer equipment and software	\$	183,582	\$	133,717	\$	49,865	\$ 264
Furniture and fixtures		83,664		77,121		6,543	7,008

Leasehold improvements	_	1,151,960	_	1,070,098		81,862	 124,604
	\$_	2,688,385	\$	2,388,264	\$	300,121	\$ 328,337

The land and building utilized by the Society is owned by the University of Victoria. Student fees of \$9,478,139 from 1957 to 2018 and \$165,818 in 2019 have been collected from the students and are held in trust at the University to be used for the original building and furnishings and subsequent Student Union Building expansion.

### 6. Due from Student Radio Society

The accounting and financial system of the Society is utilized by the Student Radio Society. The accounts receivable balance includes \$103,813 (2018: \$77,786) due from the Student Radio Society.

### 7. Health Plan Reserve

The Health Plan Reserve consists of internally restricted funds used to cover future health care plan funding deficiencies.

Funds are designated by the board of directors and allocated as a transfer to the reserve.

Cash in the reserve is held by the Operating Fund as internally restricted cash.

April 30, 2019

### 8. Dr. Ewing Memorial Trust Fund

The Dr. Ewing Memorial Trust Fund is funded by a \$4.25 (2018: \$4.25) per student per term fee. The internally restricted fund is used to meet expenses incurred in the major renovation or expansion of the Student Union Building or in the provision of additional physical plant facilities intended to meet the extracurricular needs of the membership of the Society.

Cash in this fund are held with the University of Victoria and is restricted cash.

Fees are collected by the University of Victoria and transferred to the Society. At the end of fiscal 2019 the fund held \$166,940 (2018: \$218,625 deficit).

### 9. Major Capital Fund

The Major Capital Fund is funded by a \$4.25 (2018: \$4.25) per student per term fee. The internally restricted fund is used to cover the cost of all Student Union Building fixtures and physical renovations including adaptations to restructure space or provide for revenue generating society businesses or tenants, non-fixtures including replacements of equipment essential to basic operations of a business, work which represents an investment in the building and which reduce maintenance costs, major furnishing acquisitions or replacements and premature maintenance. Expenditures from the fund are reflected as transfers to the Operating or Tangible Capital Asset Fund as applicable.

### 10. Renovation Fund

The Renovation Fund was funded by a \$5.00 per student per term fee limited to April 2018. The internally restricted fund was used to cover the major renovating costs of Felicita's Campus Pub and the Student Union Building. Expenditures from the fund are reflected as transfers to the Operating or Capital Asset Fund as applicable. The renovation fund is no longer a student fee as of May 1, 2018.

April 30, 2019

### 11. Committed expenditure

Allocations and appropriations from revenue are required each year as a result of referendum for items in addition to amounts required by the Society's constitution. Student activity fees in the amount of \$74.35 per student per term are paid to the society, of which \$26.60 is directed to the cost of Society operations and \$8.50 is directed to the Major Capital Fund. The balance of \$39.25 is distributed as follows:

April 30, 2019

#### 12. Financial instrument risks

### Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities. The Society is exposed to this risk mainly in respect of its receipt of funds from its customers and other related sources, and payment of its accounts payable and accrued liabilities.

#### Credit risk

Credit risk arises from the possibility that a debtor is unable to discharge its obligations to the Society in a timely manner. The Society is exposed to credit risk from customers. The Society minimizes its risk through regular monitoring and follow-up of its outstanding receivables on a regular basis.

#### 13. Remuneration

Under the British Columbia Societies Act there is a requirement to disclose the remuneration paid to all directors, the ten highest paid employees and all contractors who are paid at least \$75,000 annually.

During the year, the Society paid \$152,674 (2018: 146,834) to directors. During the year, the Society paid \$170,254 (2018: 91,202) in remuneration to two employees or contractors in excess of \$75,000.

### 14. Related party transactions

The University of Victoria collects student fees, health and dental plan premiums, and U-Pass fees on behalf of the Society.

The Student Union Building and land are owned by the University. The Society uses the building rent free. Use of the facilities is governed by an agreement between the University of Victoria and the Society, the principal terms for which require that the Society and the University of Victoria share costs 49% and 51% respectively for the following items:

- All planned and remedial maintenance activities required by regulatory agencies, or day
  to day maintenance of the building, its exterior envelope, including miscellaneous roof
  repairs, all electrical, electronic, mechanical, elevator and plumbing systems;
- All regular janitorial work, garbage collection; and
- All utilities including heat, light, water, sewer and ventilation services.

The University holds funds in trust for the Society for the Dr. Ewing Memorial Trust Fund. The Society transfers cash from the Dr. Ewing Memorial Trust Fund to the University of Victoria for the purchase of assets incurred in the major renovation or expansion of the Student Union Building or in the provision of additional physical plant facilities intended to meet the extracurricular needs of the membership of the Society.

April 30, 2019

### 14. Related party transactions (continued)

Under the current arrangement between the University of Victoria and the University of Victoria Students Society in respect to major renovations or expansion of the Student Union building is that all capital asset additions belong to the University of Victoria. As such the University of Victoria records expenditures as assets. Expenditures are funded by either the Ewing Fund or Renovation Fund. During the year the University of Victoria Students Society paid the University of Victoria \$Nil related to the purchases of assets.

### 15. Comparative figures

Certain comparative figures for the prior year have been changed to conform to the presentation adopted for the current year.
