1.1 Board of Directors Values

Good Governance

We take our responsibility to ensure the long-term stability and health of your students' society very seriously. To us this means ensuring participatory democracy and transparent decision-making, being prudent and judicious with your student fees, and being accountable for our actions.

Environmental Sustainability

We recognize the urgency of the climate crisis and are committed to doing our part. We work to reduce the environmental impact of UVSS operations and support sustainable initiatives that are relevant to students. We strive to be climate justice leaders that set an example for our members, UVic, and the greater community. We recognize that the climate crisis intersects with existing structures of oppression and acknowledge anti-racism and decolonial work as essential components of climate justice.

Service

Service to students is why we exist. Our student-centered approach drives us to provide services that are high-quality, relevant, and meaningful to students. We provide essential services to all members of the UVSS: The extended health and dental plan, the U-PASS, Peer Support Centre, and the Food Bank and Free Store.

FUN

We value fun in everything that we do. To us that means creativity, passion, spirit, lightheartedness, and not being overly bureaucratic. Campus should be a fun place to be and students should feel excited and engaged about the work their students' society does.

Decolonization

Our campus resides on the unceded and unsurrendered land of the Lekwungen people, including the Esquimalt, Songhees, and WSÁNEĆ Nations. We are committed to holding

our institutions accountable to reconciliation and decolonization by challenging systems and practices that oppress Indigenous peoples. We aim to elevate Indigenous voices and perspectives by confronting colonial norms and frameworks. We will continually educate our members, create open dialogue, and take action to dismantle colonial systems. We aim to elevate all First Nation, Inuit and Metis peoples - including but not limited to women, girls and queer/Two-Spirit folks - that continue to experience ongoing systems of oppression that inter-lock with and originate from colonialism, such as racism, sexism, homoantagonism, transantagonism, ableism, and others.

Excellence

We aim to be a leader not just among student societies, but among non-profits – and we pursue this goal through excellence. To us that means driving innovation, promoting a learning culture, investing in our people, and by taking a compassionate approach to everything that we do.

Social Justice

Whether we are advocating for student issues or putting the profits from our businesses back into services for students, the UVSS works every day to ensure no person is left behind. Promoting social justice means supporting, uplifting and providing services to students and student-led organizations on campus that center issues of equity; this includes, but is not limited to, confronting racism, sexism, transphobia, homophobia, ableism, colonialism, and all other discriminations and/or systems of oppression. We work with campus and community partners to raise awareness and empower students to create change.

MOTION TO AMEND BYLAW 8 - DUTIES AND RESPONSIBILITIES OF DIRECTORS

WHEREAS the UVSS values establish why Directors and staff do what they do and what they stand for: organizational leadership, advocacy, and total member satisfaction; therefore, **BIFRT** Bylaw 8 be amended to add “Uphold and execute the values of the UVSS to the best of their abilities, as outlined in Board of Directors policy, Section 1, Part 1” to the job descriptions of every Board of Directors position.

MOTION TO AMEND BOARD OF DIRECTORS POLICY - DONATIONS AND GRANTS

WHEREAS Donations are currently only allowed to be distributed from the Donations and Grants budget and thus the operating fund, this means there are significant limitations to how much funding can be donated; and

WHEREAS COVID-19 is an example of when an efficient and robust response was needed to an unpredictable situation; and

WHEREAS this policy has and could continue to require the UVSS to choose between fiscal prudence and supporting members through donations; therefore,

BIRT Board of Directors policy Section 2 Part 6 is amended as follows:

6.1 Donations and Grants are defined as monies disbursed from the UVSS General Operating Fund **and the Government Relations and Outreach Fund** to an organization as well as non-monetary donations such as but not limited to non-perishable food items, or use of UVSS equipment.
