

## UVSS CO-OP FEE REBATE REQUEST

Students pay \$38.27 in student fees while on a Co-op term. Of these fees, \$16.85 is allocated to affiliated groups like CFUV and the Martlet. These are services that can be accessed by UVic students around the world. This leaves \$21.42 in fees per student for services provided by the UVSS. While lots of what we do benefits all students, we recognize that many of these services cannot be accessed by students outside the Greater Victoria area.

In May 2017, the UVSS Board of Directors decided to offer a rebate for students participating in a Co-op term outside the Greater Victoria area. Students who meet the criteria are eligible to have \$15.00 of their fees returned to them. Students can only request a rebate for the current term, and cannot request from any previous or future terms. We use the remaining \$6.42 to support long-term capital renovations and to continue to advocate to government and the university on behalf of students everywhere.

### Grounds for appeal

1. Must be on an approved co-op work term.
2. You must submit proof that you live outside the Greater Victoria area (copy of lease agreement, posted mail with name of applicant, recent utility bill, etc.).
3. You must attach your UVic tuition account summary from the most recent term (available on My Page) to prove that you have paid your UVSS student fees. This must include your name and the current term
