<td>Rotaract Club of Victoria</td>
<td>Community</td>
<td>Divest UVic is a grassroots group of students, faculty, staff and community campaigning for full divestment of UVic's endowment fund from fossil fuels. Recently, the campaign has and great success in lobbying for divestment and now is working on larger climate justice goals here at UVic and within the greater Victoria Community. We meet every Thursday at 4:30pm in the SUB. Follow us on social media for more info!</td>
</tr>
<tr>
<td>Divest UVic</td>
<td>Environmental</td>
<td>As a Best Buddies Canada University Program, Best Buddies UVic pairs students in post-secondary institutions with adults from the community with intellectual or developmental disabilities to form meaningful friendships. These friendships improve the quality of life and level of inclusion for a population that is often isolated and excluded.</td>

UVic ISA is a club where Ismaili students (international and domestic) get-together every day in the evenings for prayers, games, movie nights, and dinners. The goal is to help new students to connect with like-minded individuals and for old students to continue building strong relationships with peers along with acting like mentors for new incoming students. We collaborate with SFU and UBC ISA to organize annual events and build connections.

tahirshamji@icloud.com

UMANG: UVic Indian Students’ Association was initially formed in 2005 by undergraduate and graduate students. We aim to promote Indian culture on campus and bridge cultural gaps in the society. Over the past few years, our team has grown and succeeded in hosting events and workshops. By doing so, we have promoted cultural diversity among students and community. We are one of the most active clubs on campus and organize events on a weekly basis.

UMANG - UVic Indian Students' Association

Siddharth Pathak
siddharthsa@gmail.com

This club is about driving one's passion for design of automotive vehicles. We intend to make the club fast paced in terms of projects conducted. There will be two pathways a member of the club can take; software side and hardware side. In software, income generation will be discussed from utilizing Instagram, NFTs, and possibly metaverse. In hardware, physical carbon fiber bodies will be built to modify not-so-good-looking cars into art pieces.

UVic UNICEF is a campus club that follows the guide of UNICEF. With the fundraisers we host, we help out individuals both locally and globally, hosting Toy drives for children in the community, creating care packages for the homeless population in Victoria, and donating our funds earned throughout the year to our orphanage in Uganda.

UVic Formula Racing Electric is an club dedicated to electric vehicle technology and motorsport. We design and build an open-wheel electric race car for competition in the Formula SAE Electric competition. This aims to provide students with valuable skills for their future careers and expose students to a rapidly growing industry.

UVic Formula Racing is an engineering club that designs, manufactures, builds and manufactures a small open wheeled racecar. Each year the team competes in the largest collegiate design competition in the world, Formula SAE. Members of the team have the opportunity to gain skills in project management, engineering design, budgeting funds and social networking.

One for the World is an altruistic club with the goal of ending extreme poverty through finding donors. These donations will be given to well researched and effective charities, through One for the World’s partnership with GiveWell.

UVIC Consulting Group, based out of the University of Victoria, is a student-led pro-bono consulting group that seeks to integrate real-life client projects with comprehensive professional development practices. By connecting students to our extensive network, we seek to be an organization that brings together curious young leaders to create empowerment amongst individuals and communities.

Iranian Student Association (IRSA) at University of Victoria (UVIC) was founded in 2018 by an array of dedicated Iranians with the mission of supporting Iranian community at Uvic as well as representing our culture and art and negotiating our needs with the university. At the moment the board of the association includes:

- **President:** Nahid Pourdolat Safari
- **Vice-President:** Sohrab Mosahedi
- **Treasurer:** Nikoo Rahbari Asr

We are a nonprofit organization that helps to give back to marginalized communities, we do so by mentoring new high school students by helping them reach their goals whether it may be university, trades school or even gap years. The funds made from this program are used towards building the care packages that we will be distributing downtown Victoria in February every year.

UVIC HOPE

- **Volunteer:** Nelly Sadat
The Community Cabbage is a student organization devoted to reclaiming food from the waste stream. Every week volunteers access food waste from local grocery stores and share the resources between volunteers and the larger community through grocery sharing and hot meal prep. Volunteers turn these ingredients into a healthy and delightful vegetarian meal at a community kitchen. Anyone is welcome to come cook with us and/or eat with us!

The UVic Renewable Energy Club is an engineering and design focused club working to improve the field of Renewable Energy. At its core, UREC is a club to learn and develop key skills and knowledge related to the ever important field of sustainable energy production. By practising these skills, students can improve their engineering skill-set and prepare for a career in the field of Energy Production.

Our team competes annually in the most complex competition of SAE International Collegiate Design Series. Formula Hybrid emphasizes drivetrain innovation and fuel efficiency for high-performance vehicle applications, while overcoming system integration challenges. Members work in elec, mech, and business sub-teams and use industry standard tools to research, design, fabricate, and test parts in a hands-on and supportive learning environment.

Our goal is to connect UVic's League of Legends players (and other gamers!) of all skill levels to create a fun, casual, and open community within the school! Whether you are looking to meet new players, discuss gameplay strategies, or get involved in the competitive scene, you've come to the right place! We'll host in-house games, viewing parties, intramurals/collegiate games, and more!

UVic League of Legends Interest

The UVic Minecraft Club is a place to make friends, play some games, and have a chill time. Our Minecraft server has been running 24/7 since February of 2019. So far we've had over 600 unique players from UVic!

UVic Minecraft Club Other

UVIC chapter of the province's largest non-partisan citizen action network; bringing British Columbians together to reclaim power over our environment and democracy. We fight for environmental justice: having focused in the past on stopping the Transmountain Pipeline Expansion, encouraging proportional representation and supporting anticolonial, anticorporate initiatives. We always welcome anyone who wants to make a difference in a sustainable way.

Dogwood UVic Environmental

A place for guitarists of all skill levels to learn, connect, and jam!

UVic Guitar Club Arts

Join our discord for more information!
The Society of Economic Geology UVic Chapter is a club focused on helping students in Earth and Ocean Sciences by networking with industry professionals, teaching students through field trips, putting on short courses/tutorials, and distributing information on the mining and mineral exploration industries. As a team our goal is to help students gain skills relevant to the field and help students transition into a career they want post graduation.

In Model UN, we simulate the United Nations. Why? Because it allows us to step into the world of politics. By modeling how UN representatives work, we are given a platform to speak passionately about the issues that will shape our generation. Our club is open to everyone, no matter where you come from, what you study, or how much experience you have in Model UN. We are a group of students aiming to bring awareness to the practice of harm reduction. We advocate for accessible community supports and evidence-based responses to the harms associated with drug use and criminalization.

Inclusive Christians at UVIC is a club that supports a progressive and inclusive voice. Members identify as Christian, Spiritual but not Religious, or are simply curious to learn more about the Christian tradition. Club activities include attending the Christian-oriented programs on campus, such as those offered at the Multifaith Centre, as well as weekly bible studies and biweekly fun times like game nights and movie nights.

The UVic Rocketry Team is a student-led group at the University of Victoria that designs and builds competitive sounding rockets. We are a multi-disciplinary team that is open to passionate and dedicated individuals, regardless of degree, background, or previous experience.

We are open to any and all students with an interest in Latin American culture. We organize a variety of events like karaoke, movie nights, and trips to restaurants, and get together to celebrate holidays like Dia de Muertos.

WECS is a group dedicated to supporting women pursuing degrees in Engineering and Computer Science, however membership is open to all genders. Currently, WECS runs first year exam review sessions, and is planning more projects for the future.

We provide a friendly and supportive learning environment to empower our members to become more confident speakers and leaders!
A resource for UVic students to help them with expressing themselves with (analog and digital) photography.

Photoclub is what the membership makes it. Since technology is always changing so we try to focus on the fundamentals of photography. We also know that most students are on a budget and keep that in mind. Many of our workshops and discussions apply to most cameras, digital and analog. There is something for everyone in Photoclub!

The UVic BC Young Liberals are the political voice of students and young professionals working to promote free enterprise values, to ensure that tomorrow’s BC is even better than today’s. Whether you’ve never voted, are new to BC, or are passionate about being a part of a prosperous BC for all, we welcome you! Send us an email or a Facebook direct message to hear about events, involvement in riding associations, and work/volunteer opportunities.

Students Offering Support (SOS) is a nationwide charity that supports university chapters across Canada. In addition to general fundraising, we host Exam-Aid preparation services to fund SOS Global Impact Projects, including community and education initiatives, in developing countries. SOS relies on passionate student leaders to create a positive impact through the SOS model of “Raising Marks, Raising Money, Raising Roofs.”

The UVic ERC is an inclusive club that brings together students and the broader community for ecosystem restoration. We provide students opportunities to engage with restoration, gain valuable skills for career-development, peer and academic support, and make friends at our social events.
### Leadership Through Diversity (LTD)

Leadership Through Diversity (LTD) is a student-run group whose mission is to engage various minority groups and promote equality and inclusivity throughout the Faculty of Engineering and within the engineering industry. We are also proud to be an official member of EngiQueers Canada, a collection of student groups that promote and advocate for the inclusion of LGBTQ2+ students (and their allies) in engineering schools across Canada.

**UVic Boxing Club**

UVic Boxing Club is a new club entering its second semester. For the 2022 Spring Semester, we have teamed up with CARSA's administration to give the UVic community boxing classes on Monday and Wednesdays from 5 - 6 PM at CARSA, instructed by Canadian boxing champion, Jason Heit. For more information about the club, check us out on Instagram at @uvic_boxing for more details.

Socialist Fightback UVic advocates for revolutionary politics on campus and highlights the importance of collective political action in the struggle for workers and students. We organize events from a socialist perspective on questions of history, philosophy, and contemporary issues. We fight for universal education, workers' rights, and an end to capitalism.

Her Campus at Uvic is an inclusive online magazine specializing in campus life. From movie reviews to our current political climate, Her Campus allows a platform to write about what interests you, as opposed to that ten page paper due next weekend. We are run by a group of individuals interested in social media, editing, and media studies, and would love to have you on our team!
