PART 5: INSURANCE

5.1. OVERVIEW

Clubs and Course Unions are considered UVSS entities and thus are usually covered under our existing insurance. However, some events have a higher risk than others. Therefore, a special events application for approval must be sent to the Executive Director, who will then share this to UVSS' insurer for their consideration.

- a. Examples of special events requiring approval from UVSS' insurer include: camping trips, holiday parties, curling tournaments, business conferences, performance nights, and others.
- b. Special events that are declined by UVSS' insurer will be notified in writing that the event in question is not approved by the UVSS, and is not endorsed or supported by the UVSS in any way. The applicant assumes all liability should they proceed.

5.2. PROCESS

- a. Signed waivers are also required from all participants for special events prior to the event, particularly for events that involve one or more of the following:
 - i. Physical activities that require greater physical exertion and/or have a greater risk of injury;
 - ii. Alcohol;
 - iii. Travel or transportation
- b. Once complete, these waivers must be sent to the Executive Director.

Any events where liquor will be served requires a separate liquor insurance application form and liquor license (procured separately). Separate liquor coverage usually costs around \$150. The UVSS does not provide special event insurance for pub crawls. If insurance cannot be arranged for an event the event cannot proceed.

- i. Course Unions must email the UVSS Executive Director at execdir@uvss.ca to request up-to-date insurance forms if a course union will be serving liquor at an event. The course union must start the application for a liquor license, as the ED or the UVSS will not handle this.
- ii. Course unions must send completed liquor license forms back to the Executive Director.

- iii. The Executive Director will forward the completed forms to our insurance broker, who will contact the underwriter for a quote, and determine approval for the event.
- iv. If the application is successful, the insurance broker will provide an insurance certificate and invoice, to be paid by the course union.

Questions about how to fill out the form or the general process should be sent to the Executive Director.

PART 6. COMPLIANCE

- 6.1. Each course union must be and remain in compliance with the following requirements in order to continue to be recognized and have status:
 - a. Adherence to all aspects of this policy.
 - b. Adherence to the Constitution and Bylaws of the UVSS.
 - c. Adherence to the Safer Spaces Policy
 - d. Adherence to the University of Victoria's policies of general application, including Discrimination and Harassment Policy GV0205-1150, or such policies as may be in force from time to time.
 - e. Not be found to have contravened the University's Discrimination and Harassment Policy by the University of Victoria's Equity and Human Rights Office.
- 6.2. If a course union is found by the Board of Directors to be non-compliant with this Course Union Policy, and for greater certainty compliance with the University of Victoria's Discrimination and Harassment Policy shall be adjudicated upon by the University's Equity and Human Rights Office, the course union may be subject to discipline by the Board of Directors who may direct or order any of the following in relation to the course union's activities and status as a course union:
 - a. An order to cease the violation and to refrain from committing the same or similar violation again.
 - b. Public censure.
 - c. Freezing of accounts, denial of funding or withdrawal of unspent funds for no more than one year.
 - d. Withdrawal of room or AV booking privileges for no more than one year. e. Withdrawal of postering and bannering privileges for no more than one year.
 - e. Withdrawal of course union status for no more than one year, at which point the course union may re-apply for status.
 - f. Other actions at the discretion of the Board of Directors
- 6.3. If a course union is found by the University of Victoria's Equity and Human Rights Office to have contravened the University's Discrimination and Harassment Policy, the course union shall lose status for one [1] year.

PART 7: COMPLAINTS

- 7.1. The UVSS does not adjudicate course union related harassment and discrimination complaints.
- 7.2. Discrimination and harassment complaints relating to course unions can be made to the University's Equity and Human Rights Office.
- 7.3. Members can make non-harassment and discrimination related complaints regarding course unions to the Director of Student Affairs. The Director of Student Affairs will bring the complaint to the attention of the course union and will seek to resolve the matter informally and mediate between the two parties. If this informal process is unsuccessful, the Director of Student Affairs will bring the matter forward to the Board of Directors for adjudication. The Board may choose to establish an ad hoc complaints committee if it deems necessary.
